

Welcome to the Holiday Homes at Assens Strand

The owners association of the 36 holiday homes at Assens Strand wishes you a pleasant stay.

The holiday homes are privately owned; each home is individually equipped with household appliances, furniture, kitchen equipment etc. All the homes have under floor heating, which is regulated via thermostats in the individual rooms. There are manuals for the different equipment in the house, e.g. the jacuzzi if available, washing machine, dish washer, tumble dryer, oven, microwave, wifi-passwords etc.

TV and internet

The houses have a selection of both Danish and foreign TV channels as well as wifi.

Garden furniture

The garden furniture is in the sheds, located in front of the holiday home. A key or a code for the padlock will be provided.

Luggage

Luggage carts to bring your luggage from the parking area to the holiday home are available; they are coin operated so make sure you have a 10 or 20 ddk coin to hand.

The beach

The sea and the beach are only a few meters away. The jetty to the south of the houses near the campsite is owned by the council and is available for all to use. Duvets, mattresses, pillows, blankets or other items belonging to houses, must not be brought to the beach.

Playground, Table tennis, table football and roofed barbecue area (item 2 at map)

Balls for table football and table tennis including bat can be borrowed at the "Marinakontor"

Beware of the wind

At the coast the weather can change from completely calm to very windy in a matter of minutes. Please remember to close all windows when leaving the house place all garden furniture in the shed at departure.
